

Discover President's Circle

Join OMSI's President's Circle and you become part of an extraordinary group — leaders and visionaries who embrace the personal mission of making a lasting and significant impact on our community. Reach more than one million museum visitors each year, and, through our outreach and adult programs, a public that extends far beyond the museum's walls. Make science education relevant to young people who lead the future of innovation and sustainability.

Learn more about how OMSI's President's Circle can benefit you and our community. Contact our Development Office at 503 797 4599 or supportdev@omsi.edu.
