## Schedule of Programs & Exhibits to Visit:

Time*	Meeting Place	Program or Exhibit Title
		Lunch
		Depart

*\*Please arrive 10 minutes early for all scheduled events! Late entrance is not available for scheduled Omnimax movies and planetarium shows.*

Thank you for being an OMSI chaperone!

---

Please remember:

- Make sure all children in your group are with you at all times.
- If a child is lost, please find an OMSI employee who will assist you in finding the missing child.
- All children and adults must have a nametag, worn at chest level (provided by your group leader).
- Please do not arrive early or late for your scheduled lunch time. To allow room for other groups, do not leave empty seats between your students. Keep in mind that your entire group may not be able to sit together. Each group is responsible for cleaning up after lunch (spray and paper towels provided) and taking any leftover lunch items with them. OMSI is not responsible for lost or stolen items.
- Running, horseplay, and the use of “heelies” are prohibited on OMSI property. Eating, drinking, and chewing gum are prohibited in OMSI’s exhibit halls.
- Only preschool and kindergarten groups are allowed in the Science Playground.
- Adults are required to accompany students into the Inventor’s Ball Room (in the Turbine Hall). Please note that throwing balls at people is strictly prohibited.
- We encourage students and chaperones to talk about their discoveries and direct any questions they may have to educators located in each exhibit hall!
